TRAFFIC CONTROLLERS

Shark Tooth Traffic Controllers enforce "One Way" traffic flow for parking facilities or other single direction vehicle lanes.

IN-GROUND SHARK TOOTH CONTROLLER

- 20 teeth (3/8 inch steel plate)
- Teeth sprung in pairs
- Long life torsion springs
- All welded steel frame (.188 plate)
- Top Plate - Red, Teeth - Zinc plated
- Weight 130 pounds (approximately)
- Special latch down units available

- 36" In-ground unit #16200310
- 6' In-ground unit #16200300

36" SURFACE MOUNT UNIT

The Shark Tooth Controller is designed to mount on an existing drive or ramp (concrete or asphalt) with bolts or epoxy to eliminate excavation and drainage problems. By installing units end to end, any width driveway can be controlled.

- 36 inches long x 20 inches wide x 2 inch high (teeth depressed)
- Overall height 4.4 inches (teeth extended)
- 3 removable and reversible 3 tooth modules (12 inches long)
- Long life torsion springs
- All welded steel frame (.250 plate)
- Body - Red, Teeth - Zinc plated
- Weight (36 inch unit) 155 pounds, approximately
- Latch down mechanism available

- 36" Surface Mount #16200200

Ideal locations:

- Shopping Centers/Malls
- Theaters
- Airports
- Parking Garages

RUBBER STOP FLAPPER

Rubber Stop Flappers are a great addition to traditional octagon Stop signs especially in hard to see locations. Because they are made of quality rubber, Stop Flappers can be placed in the lane of traffic to warn motorists of stopping as a supplement to traditional Stop signs.

- Complete kit #31001
- Flapper Only #13100100
- Base Only #13100200
- 12" Drive Pins Only #13100300 (2 Req'd)

CONVEX MIRRORS

CONVEX INDOOR/OUTDOOR MIRROR

This shatterproof acrylic mirror is used in convenience and grocery stores to help provide safety and security. Used on curved roads, hidden driveways and parking lots to provide drivers with the ability to see approaching traffic and safely move into the roadway.

- 18" #17904000
- 26" #17904100
- 36" #17904200

Outdoor Galvanized Mirror (includes hardware)

- 18" #17904050
- 26" #17904150
- 36" #17904250
