Your Traffic Sign & Supplies Resource Since 1956

## DECORATIVE POLES, BASES, CAPS, AND HARDWARE

All of our Decorative Poles, Bases, Finials, Hardware, and Luminares come standard powder-coated Vulcan Black. Other colors are available to match your next decorative project. Please contact us for details and package options.

### DECORATIVE POLES

Traffic Safety Supply Company offers decorative poles that are both visually appealing and when paired with V-Loc® anchors, they are also an NCHRP-350 approved breakaway system. Made from high strength 6061-T6 Aluminum, these decorative poles are available in 2-3/8", 3", and 4" outer diameter. Decorative poles are available in smooth or fluted styles. Poles can be powder coated to match your project design.

- 2-3/8" O.D. x 12' Pole #17400100
- 3" O.D. x 12' Pole #17400125
- 4" O.D. x 12' Pole #17400130

### DECORATIVE BASES

These decorative bases are made with high-grade cast aluminum.

**Mini Base** (Slip over style) – 5" wide O.D. at top, 9" wide at bottom and 7-3/4" tall. Fits 2-3/8" and 3" Poles.

- For 2-3/8" O.D. Pole #17400200
- For 3" O.D. Pole #17400205

**Minneapolis Base** – 3-1/4" wide O.D. at top, 7-1/2" wide at bottom and 25" tall. Fits 3" O.D. Pole. #17400210

**Middletown Base** – 5" wide O.D. at top, 8" wide at bottom and 25" tall.

- For 3" O.D. Pole #17400215
- For 4" O.D. Pole #17400220

The Minneapolis and Middletown bases are two-piece assemblies that bolt together around the pole, allowing their installation after pole is in place.

## POLE TOP LUMINAIRES

Luminares not only light streets, parking lots, campuses, and parks, they are visually appealing and add a classic look to your entire streetscape. Lamp options include incandescent, compact fluorescent, high pressure sodium, and metal halide. Hanging arm and wall mount options are also available.

### HARP LIGHTS

The optical characteristics of the Harp fixture provide excellent light dispersal. The canopy over the globe helps reduce undesirable up-lighting. Available in five sizes.

#17400700

### OCTAGON LIGHTS

The Octagon Series feature a 'Royal' design that complements many streetscape and architectural styles. Available in three sizes.

#17400705

### GLOBE LIGHTS

Globe Style Luminares are an economical choice for lighting. Available in a wide variety of styles with and without finials.
