HONDA GENERATORS

DELUXE SERIES

Honda Deluxe Series generators offer the right features for convenient, reliable backup power during outages and blackouts. All of these models are powered by a Honda GX commercial grade engine for quiet, durable and efficient power. Features include a heavy-duty full frame for added protection, voltage regulation for continuous stable power, wide handles for easy transporting, multiple front panel outlets for easy power connections and electric start.*

*Requires optional battery kit.

Deluxe 4000, 5000 and 6500-watt models with Honda GX commercial engine, 6.6 gallon fuel tank, two-wheel transport kit, 120/240V selector switch, AVR, 12V DC battery charging and electric starting.*

*Requires optional battery kit.
