

# TRAFFIC SAFETY SUPPLY COMPANY

Your Traffic Sign & Supplies Resource Since 1956

## STREET NAME SIGNS

Traffic Safety Supply Company manufactures Street Name Signs in either Flat or Extruded aluminum blades. These signs are sheeted with Engineer Grade, Hi-Intensity Prismatic, or Diamond Grade sheeting.

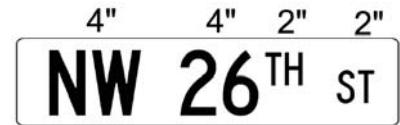

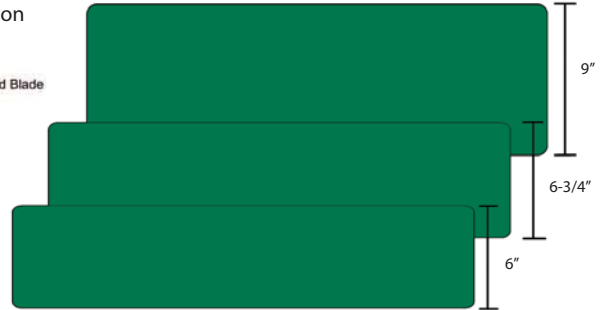

Street Name Signs vary in size, color, and reflectivity depending on the City or County specifications.

When ordering please specify:

1. Flat or Extruded Blade
2. Color of Text and Background  
Example: White text on Green background
3. Sheeting (Engineer Grade, Hi-Intensity Prismatic, or Diamond Grade) for Background and Legend
4. Size of blade  
(Example: Required Length x 6") and size of text (see Examples)
5. Double sided or Single sided
6. Border or no border
