- Standard Steel Post size: 6" x 9" x 6' 6"
- Standard Block Out sizes: 6" x 8" x 14", 8" x 8" x 14"

GUARDRAIL DELINEATOR

The Carsonite Guardrail delineator provides flexibility and impact resistance from wide loads, overhanging maintenance equipment, mowers, etc. They maintain standard height for delineation stated in MUTCD regulations. Predrilled holes facilitate ease in mounting with nails to wooden guardrail posts. Reflective sheeting options are available.

- 4" x 27" White or Yellow #11612200
- 3" x 27" White #11612100
