Corner Guard - 3' Long Damage Prevention Solutions

»» IMPROVING TODAY FOR A SAFER TOMORROW

PRODUCT OVERVIEW

PRODUCT NO. - DP03282

Protect the surrounding infrastructure and vehicles in parking facilities. Manufactured from high-impact rubber, these long-lasting, durable, and cost-effective solutions are easy-to-install. High intensity reflective tape increases visibility, especially at night, and provides the necessary guidance to drivers when parking in tight spots. Ideal for surface and multi-level parking lots, interior factory, warehouse walls, and areas surrounding loading docks.

FEATURES AND BENEFITS

- Heavy-duty, one piece construction to withstand all weather conditions.
- Constructed from high impact thick, natural rubber that will flex and absorb the force of impact then gently bounce back.
- Features reflective yellow safety stripes, designed to bring attention to corners from a distance or in dimly lit areas.
- Used indoors or outdoors for medium and heavy traffic areas.
- Easily installed by one person for temporary or permanent solutions.
- Corner Guards can be mounted vertically or horizontally along the corners of walls or beams to prevent damage.
