The Ultimate Post Extractor

»» IMPROVING TODAY FOR A SAFER TOMORROW

PRODUCT OVERVIEW

PRODUCT NO. - DP07537

The Beast post extraction tool will save time, money and your back!

This stable, portable, mechanical post removal tool has more pulling power than most hydraulic tools of similar use. Due to its stable tripod feature, it only requires one person for use. This feature allows the post to be pulled straight up, reducing friction while increasing leverage.

Pull wooden or metal fence posts (with or without a concrete plug) as well as tent stakes with the least amount of effort. With the best manual post extractor on the market.

FEATURES AND BENEFITS

- 10,000 lbs pulling power
- only weighs 50 lbs
- save time, money & your back
- no hydraulics, motor or electricity
